

Owl Promise

Sage Elementary

At Sage we are the kind of educators who believe that all students are unique and important. All children deserve the opportunity to learn, grow, and succeed in a safe and nurturing environment where they are inspired to become their best selves.

As a **student**, I will:

- Come to school ready to give my best effort every day.
- Complete work to the best of my ability.
- Read with others and *read to self* regularly.
- Show school pride by being safe, respectful, and responsible at school.

As a **family**, we will:

- Read with our student and listen to them read on a regular basis.
- See that our student is prepared for school and attends school regularly.
- Attend school functions and volunteer when possible.
- Regularly communicate with our student's teacher and participate in school conferences.

As an **educator**, I will:

- Provide high quality instruction every day.
- Create a positive and welcoming classroom environment where parents, students and teachers are partners in the student's learning.
- Encourage student achievement and honor student successes.
- Use student data to monitor progress and adjust instruction when necessary.
- Communicate student progress to families throughout the year.

Please read this agreement and discuss it with your child.
