

Sage Family Engagement Plan

Goal: *Annually, families will have the opportunity to gain awareness of the Title 1A grant, will understand the school's academic programs and how student progress is monitored, and will share with staff what they would like to learn more about.*

- Sage staff will conduct an annual meeting in the fall on a date and time that affords families the best opportunity to learn about the Title 1A grant, the school's academic and support programs, and how student progress is monitored.
- Families will provide information to Sage staff in the fall and spring regarding what they'd like to learn more about, how they can best be supported, and days/times that would be best for meetings and events.

Goal: *Families will have the opportunity to participate in the planning, review and improvement of school programs and processes.*

- Sage staff will inform families in the fall of the opportunities and variety of ways families can participate in and support the school, including the type of commitment involved.
- All families will be invited to participate on the Sage Parent Advisory Team and will meet at least 3 times annually to review key plans and documents with the intent to provide honest and helpful feedback to inform improvements.

Goal: *Families will be informed of all school related activities and meetings in a language they can understand, and encouraged and supported in fully participating in their child's education.*

- Sage staff will communicate with families frequently, through a variety of modes (face-to-face, letters, flyers, emails, phone calls, text messages, etc), in English and Spanish.
- Invitations to meetings and events will be shared more than once and in more than one way (ex. flyer and follow up phone call).
- Meetings and events will be held on days and at times that are more conducive for families to participate, providing alternate times (morning, afternoon, evening) to reach more families when possible.

Goal: *Sage staff believe families have the best intentions of supporting their child(ren), value partnership with families and will effectively reach out to, communicate with, and implement and coordinate parent/family programs to build and maintain relationships with families and the community.*

- Parents, family and community members, and Sage staff will be encouraged to maintain a strong PTC.
- A variety of family engagement opportunities will be provided throughout each year, by and for families, community partners and Sage staff, to promote awareness, learning, support, and relationships.

This Family Engagement plan has been developed by family members and school staff representing Sage School on April 18, May 15 and May 20, 2019.

Team members and roles:

Sage Leadership Team (comprised of classroom teachers, specialists, and Principal)

Title 1A Team (Specialists, instructional assistants, and T1A Coordinator)

Classified Instructional Assistants
