

Sage Elementary School

Mission Statement

“The Golden Circle”

WHY...

At Sage we are the kind of educators who believe that all children are unique and important. All children deserve the opportunity to learn, grow, and succeed in a diverse, safe and nurturing environment where they are inspired to become their best selves.

HOW...

We demonstrate our passion by creating an environment that empowers all students to succeed.

WHAT...

The results at Sage are a community of successful, happy, healthy, confident, lifelong learners who are excited to come to school and will become positive contributors as a global citizen.
